

The Village Panchayat Pilerne Marra, Bardez, under the leadership of Mr. Amarnath Govekar, Sarpanch, VP Pilerne Marra, has taken the initiative to develop Green spaces in the Village Panchayat property to cultivate vegetables using organic manure from their village panchayat Gaushala (stray cattle shelter home) under the supervision of Navnath Bamne (Care Taker of Green Land Farm).

This year, they focused on cultivating turmeric along with other vegetables and resulted into successful harvest of 63Kg of organic turmeric. Mr. Amarnath Govekar is also a member of Pilerne Marra Biodiversity Management Committee and consulted GSBB to sell processed turmeric powder under its brand name “GoVan”.
